

THE MULTI-MEDIA GOSPEL ROCK OPERA FOR BELIEVERS

# FOREVER AND EVER

Inspired by the music and lyrics of Thomas Hogge  
Libretto by Kenneth John Atchity

***Forever and Ever***, based on the Gospel music & lyrics of Thomas Hogge, is indeed “good news” for the cloudy times we live in. People today are hungry for hope, thirsty for joy. That is what this musical banquet provides – to restore our spirits and enliven & enlighten our lives.

**LOGLINE:** A Rockstar in the thralls of sin battles his dark urges and lustful infatuations to begin a musical journey to find the Lord Jesus and a righteous, fulfilling love.

**CONCEPT:** A Gospel Rock Musical stage play highlighting the struggle between good and evil.

**PITCH:** Controlled by his worldly desires, Starman devotes himself to The Lady in Black in exchange for everything he's ever wanted: fame, riches, and love. When he realizes the sinful life will never fulfill him, a Lady in White opens his eyes to a different kind of life, where he can use his music to spread light and righteousness. After she introduces him to a Mysterious Stranger who has been down a similar path to his, Starman rights his previous wrongs and learns, although not without stumbling, to live a Christian life. For his devotion he's rewarded with true happiness, true love, and the blessing of Jesus.

**RUNNING TIME:** 2.5 HOURS, with INTERMISSION

**UNIQUE STAGE DESIGN WITH  
LED SCREENS AND MULTI  
LEVEL STAGING TO REFLECT

The background is an abstract composition of light trails. On the left, there are bright, swirling orange and yellow light patterns that resemble fire or smoke. On the right, there are more ethereal, blue and white light trails that look like starbursts or nebulae. A dark, semi-transparent rectangular box is centered over the image, containing the contact information.
